TRAX APPARELS

Our Services:

Accomplish our operations keeping in mind the difficulties faced by importers in sourcing high quality apparel. With our vast experience and expertise, we offer quality conscious and dedicated services to our customers. We export and supply vast range of knit items and also the woven items along with some others. We efficiently manage all aspects of a client's buying operations. Our range of specialized services includes

Selection of Vendors

We assess factories in terms of

- product range,
 - quality of the products,
 - production capacity,
 - facilities,
 - financial capability,
 - technology orientation,
 - man power,
 - working conditions,
 - managerial efficiency and
 - the overall quality policy of the vendors.
- Once our initial assessment is conducted, we exchange information with our principals and make an informed decision in approving selected vendors. This coupled with our ability to draw on some years of our team's experience is what has allowed us today to become a company with loyal and valued customers throughout Europe / Canada and North America.

TRAX APPARELS

Sampling

We provide samples that are developed to incorporate colors, fabrics and styles based on the requirements of our buyers. We manufacture samples in quantities as required by our customers. By offering this essential service, we sharpen the marketing efforts of our buyers in their region by giving them an edge over their competition.

Total Quality Control in order Execution: (Quality Management)

We closely monitor orders from the moment of sampling to the time of shipment. We provide updated status on sampling, production and shipment to our buyer on a regular basis. A proactive approach is maintained towards the identification of problem areas and immediate application of corrective measures to ensure timely delivery of products. The detailed physical inspection of the samples selected at random is based on specifications of the buyers and cover criteria like design / style, shrinkage, accessories, appearance, markings, color, labeling, material, assortments, workmanship, measurements, packing etc

Status Reporting

Status reports are based on multi-state inspection and transmitted to the buyers. The production progress is analyzed in relation to delivery terms and suitable course of action is taken to ensure that goods are delivered in time. Consignments are readied for shipment only if they match up to the standards required by our buyers.

TRAX APPARELS

Documentation and Shipping Co-ordination

Shipping documents are checked as per the buyer's instruction and the copy documents are sent to buyers well in advance of the shipment to avoid any discrepancies.

Price

We scrutinize prices quoted by selected factory as well as the other suppliers and with our own experience of the cost structure in the country, obtain the most realistic prices from them.

Other Service

- We also keep buyers informed about the market trends, new developments in industry, changes in Govt. policy and regulations etc. as far as possible.
- Inform buyers about new fabrics, designs and fashion trends within our knowledge.
- Receive buyers visiting Asia, Sending invitation letter to obtain visa, arrange hotel bookings on their behalf plan their meetings with appropriate us & other suppliers and try to provide all reasonable assistance that a buyer may need in a foreign land to make his visit comfortable and useful.

TRAX APPARELS

Quality Guarantee Committed to our quality, That's our promise.

Fabrics and finishing

Good fabrics and finishing are not only the key to successful production, they're also the key to reputation, higher sales and better profitability. As a customer, your reputation relies on our ability to provide quality fabrics and finishing at the price your customers are prepared to pay. We know the market here, we know our suppliers, we have an in-depth understanding of standards and sourcing – that's our guarantee to you that our product will meet and exceed the expectations of your customers

3rd Party Inspection:

Our Quality Assurance procedure covers all 4 stages of the manufacturing process; a pre-production check, two separate checks during production and a final random inspection of the finished product. To fulfill honorable buyer requirements we also allow 3rd party inspection to ship good AQL quality goods on buyer cost or our cost. We allow 3rd company as BV, SGS, TUV, Asia Inspection, Inter Teak & others as buyer advice team

Design and development

Our designer team is on hand at our creative centers in Europe to help customers and buyers through every step of the development of new styles, techniques and collections. Our quick turnaround time means we can develop and make samples for the upcoming or even current season in a very short time, allowing buyers to develop ranges based on their specific needs

TRAX APPARELS

Supplier and quality control

At HopeTex Sourcing, supplier vetting and quality control go hand in hand. We apply strict vetting procedures with all the companies who manufacture for us, not just to ensure that they can consistently produce the required quality, but also to ensure that they adhere to internationally acceptable labour standards and rules. Our Quality Assurance procedure covers all 4 stages of the manufacturing process; a pre-production check, two separate checks during production and a final random inspection of the finished product

Committed to full service. Always at the best price.

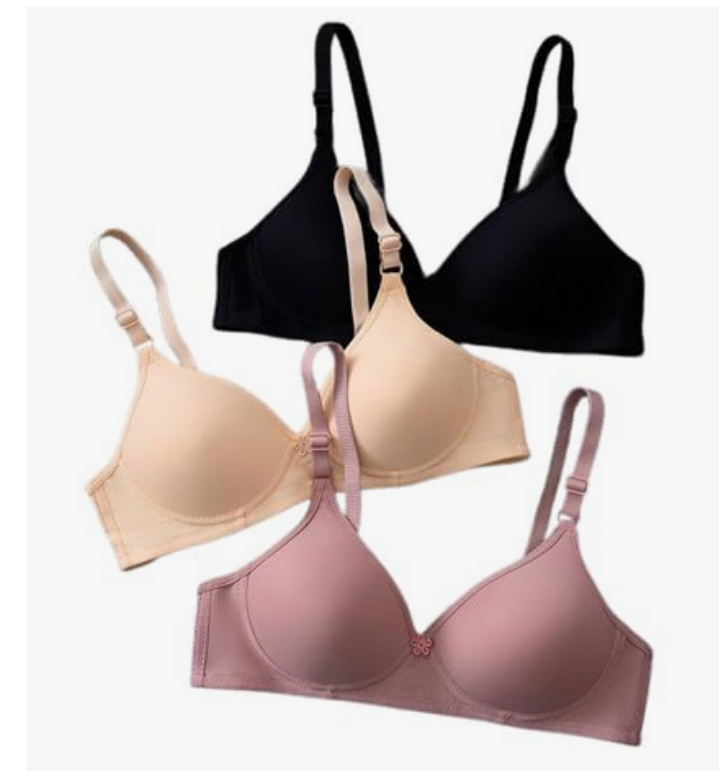

At Hope Tex Sourcing, we don't just provide quality manufacturing solutions at the most competitive price. We also offer a full range of services that mean that customers can rely on us for qualified expertise and support at every stage of the process. From concept and design right through to delivery and marketing and merchandising support, we're there every step of the way. In short, we do just about everything to ensure customers get the right product, at the right time and at the right price.
